

HONORABLE RICHARD A. JONES

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

JOSE VERDUZCO URIAS,

Defendant.

Case No. CR18-00174RAJ

ORDER ON DEFENDANT'S
MOTION FOR SENTENCE
REDUCTION

THIS MATTER comes before the Court on Defendant Jose Verduzco Urias's Pro Se motions seeking a reduced sentence under 18 U.S.C. § 3582 (c)(2) based on Amendment 821 to the Sentencing Guidelines. Dkt. 448. He is currently serving his sentence at FCI – Oxford in Oxford, Wisconsin.

In the Government's opposition, the background summary accurately reflects the Defendant's history with this Court. Dkt. 452. Rather than restate the Government's summation, this Court accepts that the Government accurately stated the background of this case.

1 The Defendant contends, and the Government does not contest, that he has met
2 the exhaustion requirement. Having done so, this Court is to consider whether a
3 reduction is appropriate under the factors in 18 U.S.C. § 3553 (a).

4 The overwhelming evidence in this case militates against granting the Defendant's
5 assertion for a reduced sentence. Rather than repeat the arguments of the Government,
6 the Court adopts the recitation of facts justifying denial of the Defendant's request. Dkt.
7 452, at pgs. 3 - 6.

8 Having thoroughly considered the parties' briefing, and the relevant record, the
9 Court finds oral argument unnecessary and hereby **DENIES** the motion.

10 For the foregoing reasons, the Defendant's Motion for Sentence Reduction is
11 **DENIED.**

12 DATED this 10th day of September, 2024.
